The Cast Naturals Collection highlights our skills at taking an innovative material and making it feel as if it sprang from nature. The Large Silver Burled Root Wall Art is made of composite that has been molded to look like a piece of burled wood that it took nature ions to create and then covered in a luminous silver leaf finish. The advantage of having a decorative accessory made from this durable material is that it will long outlast its natural counterparts pulled from the forest floor. This piece is the perfect representation of the Phillips Collection ethos: modern organic. We offer the Burled Wood decorative wall art in a number of finishes—from warm bronze and faux wood tones to bling-worthy silver.
