 Tear Drop Table Lamp  
 Price: \$829.00

	Height	Width	Depth
Overall	29.00	20.00	20.00

Made from luminous glass, the oblong body of the Tear Drop Table Lamp balancing within a metal cage makes this a juxtaposition of organic and resolute shapes. When the light is switched on, the glow that wafts from beneath the round shade effervesces the frosted glass to create an overall ethereal effect. The glass even glows when the lights are not switched on when natural illumination drifts across its surface. This beautiful lamp reflects the ethos that the Phillips Collection personifies: modern organic.
