Make a bold statement in your living space with this eye-catching Florence Sideboard/Bufet from Meridian Furniture. Its grey lacquer is complemented by a chrome finished base, creating a contemporary design that's both modern and stylish. Four side cabinet doors open up to reveal four cubby spaces, giving you ample room to safely tuck away dishes, pots and pans, knick-knacks, books, or other household items, while the top of the sideboard/buffet doubles as shelf space for items you want on display.
