Transform your living space into a chic haven with this stunning Matt Grey Velvet Sofa from Meridian Furniture. Rich grey velvet upholstery creates a soft, luxurious space for you to curl up with a book or in front of the TV on a rainy day, or just kick back and relax after a long day at work. Its plush back cushion offers ample support for your back while adding to the sofa's contemporary design, and matte black metal legs pull the piece together, making it a stylish choice for any room.
