Saunter over to this Alexis Pink Velvet Stool and get comfortable at the home bar. This uber-contemporary stool looks like one part art, one part utilitarian object for your modern home decor. This gallery-worthy design features svelte pink velvet upholstery on its round, backless seat cushion and sides, all resting on a lovely gold base. A metal foot prop gives you a place to rest your feet while you 'order up' your favorite drinks. This upscale stool will quickly become a force to be reckoned with in your home if not everyone's favorite seat.
