Grey Cloud Modern Desk J&M Furniture is proud to present the newest arrival to our modern office desk collection. Inspired by our bestselling Cloud modern dining collection, this eye-catching design is sure to compliment any decor. This desk is finished in a sophisticated grey gloss, with thick resilient tempered glass for a sleek, chic finish. The design permits for one to swivel the desk top 360 degrees for convenience. The unique pedestal features two soft close drawers for storage & plenty of space for a printer, or other uses. Great for a home office, dorm, or bedroom.
