J&M is proud to introduce our newest Premium Bedroom Collection. Hand crafted to perfection in Portugal by skilled artisans using years of experience & the latest state of the art technology to produce a pinnacle of artistry in furniture manufacturing. Crafted from the highest quality materials, J&M's premium bedrooms are made from hand-selected woods, wood veneers and natural lacquers as well as the finest German hardware by Blum. The Santana premium bedroom features a clean cut appearance that combines a gorgeously tapered headboard that is contrasted with elegant black laquered wings. It is a radical break from the average bedroom while still maintaining a simplified look. As with all of J&M's premium collection bedrooms the case goods come equipped with soft closing tracks by Blum, a world-renowned German manufacturer that sets the standards for the finest quality furniture hardware.
