Recycled wood and iron fuse together in our Industrial Loft collection to create eclectic pieces of furniture and lighting accents. Crafted exclusively from reclaimed materials, each piece in this unique collection features fine details such as adjustable hand cranks for a vintage look that blends art and function. A perfect blend of industrial and modern elements, this beautiful multi-light chandelier includes six incandescent bulbs, each framed by an antique nickel metal lamp shade that is connected to a bar hanging from a chain. This oversized chandelier is perfect for hanging over a large dining table or gathering area. This electric-powered, industrial style chandelier is sure to make a distinctive addition to any room of your choosing.
