Recycled wood and iron fuse together in our Industrial Loft collection to create eclectic pieces of furniture. Crafted exclusively from reclaimed materials, each piece in this unique collection features fine details such as adjustable hand cranks for a vintage look that blends art and function. This coffee table's legs are wheels of recycled iron in antique zinc finish, which are operable affording ease of transportability. The coffee table features a panel design in the reclaimed teak on the table top that is wrapped in a water-based, catalyzed, natural teak finish offering durability for daily use. This hand-crafted coffee table makes for beautiful fusion of natural and industrial elements. This coffee table requires some light assembly, and with materials of the finest quality, this unique industrial coffee table will be an effortless addition to any home.
