Recycled wood and iron fuse together in our Industrial Loft collection to create eclectic pieces of furniture. Crafted exclusively from reclaimed materials, each piece in this unique collection features fine details such as adjustable hand cranks for a vintage look that blends art and function. This adjustable bar stool features a 13-inch round seat made of solid acacia wood in a warm walnut finish. The seat features a swivel mechanism and is connected to an iron base in black finish with a circular footrest. The 360° industrial swivel mechanism adjusts the stool height from 18 to 30 inches. This pre-assembled Industrial Loft bar stool is ready-to-use and of the finest quality, and with its simplistic industrial feel, it will make an effortless addition to any home.
