Recycled wood and iron fuse together in our Industrial Modern collection to create eclectic pieces of furniture. Crafted exclusively from reclaimed materials, each piece in this unique collection features fine details such as adjustable hand cranks for a vintage look that blends art and function. This adjustable bar stool features a round seat and curved seat back, both made of solid acacia wood in a warm walnut finish. The seat features a swivel mechanism and is framed in an iron base with an antique styled footrest. The industrial swivel mechanism adjusts the chair height from 36 to 44 inches. This pre-assembled Industrial Modern bar stool is ready-to-use and of the finest quality, and with its industrial feel, it will make an effortless addition to any home.
