Reclaimed teak wood and a mixture of hand-forged and cast iron fuse together to create an eclectic assortment of accent pieces in the Industrial Teak collection. Crafted exclusively from reclaimed materials, each piece in this collection is visually stunning and is sure to make a lasting impact in your home while simultaneously preserving valuable natural resources. Furniture of the Industrial Teak collection are unique pieces that can offer a variety of uses for your home. This console table's frame is recycled iron in gray zinc finish, along with the four operable wheels affixed to the base that afford ease of transportability. With two thin shelves, you can use this console table to display all your favorite pictures, movies and electronics. The console table features a panel design in the reclaimed teak on the shelves that is wrapped in a water-based, catalyzed, weathered walnut finish offering durability for daily use.
