Reclaimed teak wood and a mixture of hand-forged and cast iron fuse together to create an eclectic assortment of accent pieces in the Industrial Teak collection. Crafted exclusively from reclaimed materials, each piece in this collection is visually stunning and is sure to make a lasting impact in your home while simultaneously preserving valuable natural resources. The utility carts of the Industrial Teak collection are unique pieces of furniture that can offer a variety of uses for your home. This utility cart's frame is recycled iron in gray zinc finish, along with the four operable wheels affixed to the base that afford ease of transportability. With four chickenwire style drawers, you can use this cart to house anything from office or kitchen supplies to your favorite knick knacks. The utility cart features a panel design in the reclaimed teak on the top and bottom shelf that is wrapped in a water-based, catalyzed, weathered walnut finish offering durability for daily use. Use this large utility cart to accent any room in your home with a functional, industrial piece of furniture.
