Reclaimed teak wood and a mixture of hand-forged and cast iron fuse together to create an eclectic assortment of accent pieces in the Industrial Teak collection. Crafted exclusively from reclaimed materials, each piece in this collection is visually stunning and is sure to make a lasting impact in your home while simultaneously preserving valuable natural resources. Furniture of the Industrial Teak collection are unique pieces that can offer a variety of uses for your home. This side table's frame is recycled iron in gray zinc finish, along with the four operable wheels affixed to the base that afford ease of transportability. With the additional shelf fixed below the table top, this side table affords extra space to hold all your favorite magazines. The side table features a panel design in the reclaimed teak on the table top and shelf that is wrapped in a water-based, catalyzed, weathered walnut finish offering durability for daily use.
