The London Loft collection elevates mid-century modern to the next level with sustainable organic materials and modern design elements. Casual enough for a beachfront oasis, yet modern enough for a European loft style home, the London Loft collection has furniture pieces for every room in your home. With a classic charm and air of sophistication, this hand-crafted dresser is made solid acacia wood in a water-based catalyzed weathered gray finish that offers durability while showcasing the natural grain of the wood. With three small drawers lining the top and four larger drawers stacked along the bottom, each featuring a unique yet sleek cut-out handle, this dresser provides plenty of room for housing all your favorite clothes. The dresser rests on a pair of U-shaped, sleek iron legs to create a fusion of natural and industrial elements. This pre-assembled dresser is made with materials of the finest quality, making it the perfect addition to any bedroom.
