The London Loft collection elevates mid-century modern to the next level with sustainable organic materials and modern design elements. Casual enough for a beachfront oasis, yet modern enough for a European loft style home, the London Loft collection has furniture pieces for every room in your home. With a classic charm and air of sophistication, the hand-crafted live edge headboard is cut from a thick acacia wood slab featuring curved edges, and the water-based catalyzed walnut finish that offers durability while showcasing the natural grain of the wood. With two cupboard areas cut out of the foot board, this queen bed is not only the perfect piece for resting your head at night, but also provides some extra room for housing blankets and other bedtime favorites. The footboard rests on a pair of U-shaped, sleek iron U-shaped legs to create a fusion of natural and industrial elements. This queen bed frame requires assembly and is made with materials of the finest quality, making it the perfect addition to any modern styled bedroom.
