The London Loft collection elevates mid-century modern to the next level with sustainable organic materials and modern design elements. Casual enough for a beachfront oasis, yet modern enough for a European loft style home, the London Loft collection has furniture pieces for every room in your home. With a classic charm and air of sophistication, this hand-crafted sideboard is made solid acacia wood in a water-based catalyzed walnut finish that offers durability while showcasing the natural grain of the wood. With two cupboard areas lining the sides and three small drawers stacked in the center, each featuring a unique yet sleek cut-out handle, this sideboard provides plenty of room for housing all your favorite knick-knacks. The sideboard rests on a pair of U-shaped, black iron legs to create a fusion of natural and industrial elements. This pre-assembled sideboard is made with materials of the finest quality, making it the perfect addition to any living or dining area.
