The Michaelangelo collection of furniture, reminiscent of the beautiful artwork by Da Vinci himself, elevates modern design to the next level with marble and reclaimed iron materials. Casual enough for a beachfront oasis, yet traditional enough for any classically designed home, the Michaelangelo collection has beautiful accent pieces that will enrich any room in your home. Adorn your living space this nesting set of two side tables. Awash with modern style, each table features a flat metal frame in an antique gold finish that contrasts beautifully with the sleek circular white marble tabletops. Their nesting function affords you the capability to use the two tables together as a pair or separately for multiple entertaining options.
