The Parson collection provides a versatility that will blend seamlessly with all styles and decors. A utilitarian-style cast iron frame and solid wood, fusing rugged durability with the look of a classic home furnishing. Built from sustainable materials, each product features an exquisite grain pattern that is further intensified by our specialized finishing process. Whether you're looking to bring harmony to a cluttered office or create a display of your favorite novels and framed photos in the den, this understated bookcase offers up a touch of utilitarian appeal to your decor. Standing at over 80-inches tall, this bookcase includes five, multi-level shelves that offer versatility in display options. Set this bookshelf against an off-white or gray wall to complement the antique zinc finish of the reclaimed cast iron frame, and let the wall show through the openwork design.
