Inspired by 19th-century industrial steam-powered machinery, our Steampunk Collection features an eclectic mix of reclaimed materials and cast metals that are combined to create a truly-stunning piece of furniture. Hand-crafted primarily from cast iron, this unique 36-inch round table from the Steampunk collection is sure to enhance any sitting, dining or dayroom room with its eco-friendly industrial design. The table top is a stunning and eclectic display of how mixed materials can truly shine with the natural white marble center framed in reclaimed teak wood and cast iron along the outer rim. The antique-styled, hand-forged cast iron pedestal base in natural patina finish is designed to enhance the industrial look of the table. This round table requires assembly, and with eco-friendly materials of the finest quality, it will be an effortless addition to any home.
