The simplicity of the Vail collection exemplifies the mid-century modern era by blending beautifully clean lines with organic materials. With its live edge and dynamic acacia wood grain, this durable wood supported by hairpin legs is the highlight of all pieces in this collection. This dining bench has a solid acacia wood seat that features curved edges to highlight the live edge effect and provide a refined appearance. The antique zinc steel hairpin legs provide a modern balance to the natural materials. The water-based catalyzed walnut finish offers durability while showcasing the natural grain of the acacia wood. This bench requires some light assembly and with materials of the finest quality, it will be an effortless addition to any home.
