Plant yourself in a seat fit for a king with this brown bi-cast leather arm chair from the luxuriously simple Jacob furniture collection. With the classic cigar colored leather wrapped around the solid hardwood frame, this chair is both modern and vintage all in one piece! The leather seat back includes a single seam from top to bottom, providing the chair with a unique textured elegance that is sure to stand out. The dark walnut finish on the solid wood legs complements a variety of solid wood and mixed media finishes. This pre-assembled Jacob chair is ready-to-use and of the finest quality, and with it's modern yet vintage feel, it will make an effortless addition to any home.
