From classic to contemporary and casual to formal, our upholstered Peabody collection includes chairs to suit all styles and decor. Using hand-chosen leathers and luxury fabrics, each chair is upholstered over a substantial solid hardwood frame for maximum quality and comfort. The rich beige linen of this gorgeous upholstered arm chair will bring a sophisticated air to your dining table. The solid birch wood frame is fully covered in beige linen fabric with intricate stitching and piping detail. A versatile chair for all of your entertainment needs, this chair features four black casters and a rear handle in brushed nickel finish for easy movement. Standing at 34.5-inches tall, this beautiful chair is the perfect height to fit under any standard dining table with arms resting at 24.5-inches from the floor. Comfort and fashion meld wonderfully in this one-of-a-kind dining chair from the Peabody Collection.
