Each piece in the Luminaire collection blends contemporary designs with old world charm to create not only an artistic illumination piece, but a unique focal point to every room in your home. Beautiful ironwork and rustic finishes in a variety of colors and materials make each piece in this industrial style collection captivating. A perfect blend of industrial and pipe elements, this wonderfully large multi-pendant chandelier includes six hanging Edison-style LED bulbs, each with an open-work wire lamp shade in varying sizes and shapes. This chandelier is uniquely versatile with each pendant connected by wire to a pipe that can swivel 360°, affording you the ability to arrange the pendants however you wish. Electric powered and UL-listed for safety, this industrial style chandelier is sure to make a gorgeous and distinctive addition to any room of your choosing.
