Each piece in the Luminaire collection blends contemporary designs with old world charm to create not only an artistic illumination piece, but a unique focal point to every room in your home. Beautiful ironwork and rustic finishes in a variety of colors and materials make each piece in this industrial style collection captivating. A perfect blend of industrial and modern elements, this beautiful multi-light chandelier features a starburst effect with its 18 total Edison-style LED bulbs, each affixed on metal rods that stand out in different directions. The brass finish of the bulbs' base adds an extra pop of color, making this unique chandelier the perfect industrial accent that will work in any decor. Electric powered and UL-listed for safety, this chandelier is sure to make a fun and distinctive addition to any room of your choosing.
