Our Portofino collection of retro-inspired chairs add vintage charm to your dining or kitchen space. The distressed antique ebony leather seat has a soft feel for ultimate comfort, while the exposed trim provides vintage flair. The U-shaped steel frame and legs in rustic, brushed nickel finish includes levelers with caps to protect all types of flooring. Combine with your favorite counter-height gathering table for a casual dining space or add a few to your island or counter space for the perfect work area. This pre-assembled counter chair is ready-to-use and of the finest quality, and with it's classic design and elegance, it will make an effortless addition to any home.
