The Driftwood collection offers a stylish driftwood look in solid hard wood construction. The contemporary design gives each piece in this collection the coastal style you're looking for! Modern silhouettes combined with textured finishes will instantly add a timeless elegance to any decor. This beautiful tall dresser is constructed entirely from acacia wood, and the water-based, catalyzed weathered graywash finish offers durability while showcasing the natural grain and coloration of the wood. The five drawers are stacked along the center, and each has a panel design on the front of the drawer reminiscent of driftwood coasting along the shoreline. The dresser rests on a stable, H-shaped base that matches the clean lines and finish of the dresser's frame. This pre-assembled dresser is made with materials of the finest quality, making it the perfect addition to any bedroom.
