The VEX collection is a study in modern minimalism. It boasts a matte lacquer finish with mitred corner detailing.
There is an absence of ornamental drawer hardware and in its place is a unique invisible side pull both functional
and tactile. The surface is easily maintained and cleaned with soft close drawer mechanisms and zero VOC
construction. The extension dresser top is completely reversible and can be extended to your custom length
running on a smooth felt glide. The pulldown door of the VEX chest opens to a fully extending shelf allowing easy
display and access.
