The Mila dining table molds the beauty of nature with contemporary design. A live edge tabletop made from a spacious slab of solid oak provides a unique organic element to the dining room. With knots, whorls and woodgrains particular to each piece, every Mila has its own individual charm. Bold metal legs offer industrial elevation, a cool contrast to the all-natural tabletop. Generously seating up to 6 guests, Mila offers plenty of space, whether you're reading your morning paper or relaxing over dinner.
