Scandi-style that you can sway with, brighten up a corner in your home with this solid walnut rocking chair. In light woven fabric, this occasional chair is perfect for winding down in with its generously wide, high comfort-cushioned seat and full, openwork back. Perfect for the nursery, living room, or bedroom, the deep to-and-fro swing will remind you to take some time for yourself, have a deep breath, and move into your daily rituals with ease.
