The Ventana counter stool flaunts sweet juxtaposition with its simple, sturdy construction, contemporary woven paper fiber seat, and convenient wrap around footrest. Ideal in a minimalist space or to place in a busy home for a laidback, comfortable feel. Fitted for counter-height table designs, this stylish seat comprises solid elm wood with a black, semi-gloss finish for a lifelong construction. The Ventana design comes in various heights and shapes, don't miss out on clicking further to explore these beautiful chair designs.
