Beautifully crafted with solid bamboo, the Eco Ridge Willow 5 drawer chest features clean lines, beveled edges, and gently tapered legs to create a transitional chest that compliments any style. The Willow Chest features a solid reversed beveled top panel resting on a solid bamboo frame. The generous storage includes 5 solid built drawers, faced in solid bamboo, with user friendly ball bearing extension glides. Curved base panel for added style. Chest ships professionally assembled with a recessed finished back. Made in an ISO 14001 Environment Management certified facility, your purchase of this environmentally friendly bamboo product helps support forests and ecosystems worldwide.
