The refined design of Erikka showcases the eye-catching vibrant colors found in Greenington’s solid Amber bamboo. Versatile for many uses, the functional Erikka credenza is terrific used as a sideboard, entertainment center or in the bedroom. Erikka provides generous storage and beautifully houses your dining, media, and office essentials with style. Beautifully finished on all four sides as well as inside and out, two center solid bamboo drawers are constructed using English dovetail joinery, and soft closing, under mount drawer glides. On each side, Erikka offers an adjustable shelf with cable management. Soft close doors open and close easily with a touch latch. Finishing Erikka’s clean modern design are recessed pulls, and handsome round column legs. Expertly crafted in solid bamboo, the Amber color is not a stain finish, simply an innovation created using earth friendly heat, steam, and pressure to transform the bamboo into Amber’s deep color. The finished product displays a beautiful grain pattern with continuous color throughout the entire material. Variation in grain and color enrich the natural beauty of bamboo furniture and make each piece unique. Slight differences in bamboo shade colors are signs that the furniture has been crafted from solid bamboo and is considered a benchmark of quality. Discover the expert craftsmanship packed into each piece of Greenington bamboo furniture, made using a renewable resource harvested from fully sustainable and rapidly growing forests.
