Sydney Flush Mount in Black Glass
Price: \$625.00

	Height	Width	Depth
Overall	5.00	14.50	14.50

A black, powder-coated frame with classic, clean lines houses a cluster of sockets to add sophisticated illumination to your indoor or outdoor space. Note that this fixture is damp-rated but not fully outdoor safe, therefore it's best to place it in a covered area such as a covered porch, entryway, or indoors in a bathroom.
