Impress retro modernity in your living room, home office, lounge space, or bedroom sitting area with the glam deco style and tactile luxury of the Janae Channel Tufted Performance Velvet Sofa. Featuring a curved back design and asymmetrical shape, this velvet sofa puts a glamorous twist on a mid-century design with its vertical channel tufting. This living room sofa is complete with dense foam padding and a pocket spring support system to create a premium seating experience for you and your guests. Built sturdy for everyday use, this sofa's frame is crafted with solid wood and plywood and rests on splayed gold metal legs. Sofa Weight Capacity: 900 lbs. Set Includes: One - Janae Channel Tufted Sofa
