Enjoy rejuvenated sleep with the Artus 8" Innerspring Mattress. Artus features individually wrapped pocket coils that isolate motion between sleeping partners. Responsive to the needs of side, back, and stomach sleeping styles, Artus's 7" tall coils come padded underneath two layers of foam for maximum comfort. Complete with a quilted polyester tight-top surface, Artus relieves pressure on hips, back and shoulders, while delivering a smooth and even feel night after night. Artus is a firm innerspring mattress that avoids the sag and sink of foam and air mattresses, and ships compressed and rolled into a box for easy delivery.
