Set the stage for modern style and comfortable sleep with the Ellie-May Twin Platform Bed. Inspired by mid-century design, this twin size bed frame boasts retro detail with contemporary accents and organic aesthetics to bring trending modernity to a guest bedroom or kid's bedroom. Adapting to any decor theme with the option of interchangeable headboards, this bed frame is compatible with the Robbie, Draper, Archie, and Collins headboard collections. This platform bed frame is a sturdy addition to the bedroom with a durable wood, MDF, and veneer construction and angular rubberwood legs. Eliminating the need for a box spring, this twin bed is complete with a wood slat support system, reinforced center beam, and supporting legs that make it a lasting mattress foundation for memory foam, latex, innerspring, and hybrid mattresses. Assembly required. Twin Bed Frame Weight Capacity: 601 lbs. Set Includes: One - Ellie-May Twin Platform Bed Frame
