Influence a guest bedroom, kid's bedroom, or teenager's bedroom decor with the mid-century style of the Prianka Wood Full Platform Bed. Featuring a simple arching full headboard, this wood bed frame is rich in modern style and organic aesthetics with its beautiful wood grain. Creating a lasting mattress foundation for memory foam, innerspring, hybrid, and latex mattresses, this headboard is crafted with solid rubberwood and MDF with wood grain veneer. A LVL wood slat support system complete with a reinforced center beam and support legs eliminates the need for a box spring and allows for healthy air circulation. Assembly required. Mattress not included. Bed Weight Capacity: 601 lbs. Set Includes: One - Prianka Full Platform Bed
