The Atlas Small Natural Console Table has a storied namesake. In Greek mythology, Atlas was the Titan god of endurance whom Zeus tasked with holding up the celestial heavens for eternity. The figures supporting the wood top of this natural wood console table have as weighty a job as the mythical hero. With exquisite craftsmanship, we have rescued the reclaimed chamcha wood top from being one of nature's finest castaways by making it into an elemental design statement. Combined with the whimsical black metal base, the overall style is fitting for a number of interiors, including contemporary, modern farmhouse, and industrial chic. Because this piece is crafted from natural solid wood, color and woodgrain character may vary, adding a unique personality to your piece. There are a variety of furnishings and accessories in the Atlas Collection that reflect the ethos Phillips Collection personifies: modern organic.
