The clean lines of the Leaning Figure Wall Decor make this slim piece of decorative wall art a perfect accent for contemporary, modern farmhouse, and mid-century modern interiors. Abstractly rendered in metal in a bronze finish, the slim figure adds a whimsical accent to its spot on the wall. Powerful on its own, this piece of art can be combined with three other abstract figures, each playing its part within the cutout in the black rectangular wall plate. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
