When simplicity of lines matter, the Waterfall family of benches and tables have clean profiles with ample personality thanks to the chamcha wood from which they are made. Finding texture, warmth, and contemporary shapes in one piece of furniture is no small feat, which makes this Waterfall Gray Bench special. We also offer the furniture in this collection in natural finishes that show off the special woodgrain of the golden acacia beautifully. All of the Waterfall products reflect the ethos that Phillips Collection personifies: modern organic.
