The Cubed Stool is so versatile, most interior styles will welcome it with aplomb. Made of wood that has been left to exude its natural beauty, the grooved wood stool will be easy to move around. Place it almost anywhere for a last-minute addition to a seating grouping, or pull it up to a sofa or club chair and it becomes a drinks table. Thanks to the juxtaposition of pared-down lines and lively wood grains, the piece illustrates how dedicated we are to the Phillips Collection ethos of modern organic. We also offer this design as a coffee table.
