The clean lines of the Waving Figure Sculpture make this slim decorative sculpture a perfect accent piece for contemporary, modern farmhouse, and mid-century modern interiors. Abstractly rendered in metal in a bronze finish, the slim decorative accessory is a whimsical accent on a tabletop tableau or in a nicely arranged shelf display. Powerful on its own, the Waving Abstract Figure can also be combined with our gesturing and sitting abstract figures in the same finish. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
