Sunset Premium Bedroom The Sunset Bedroom features a unique Carrara marble finish whose white color and grey stripes complement tastefully the glossy white lacquer. Marble is a very trendy home decoration material especially in modern mid-century styles and add movement and richness to this clean and minimalistic design. The silver base matches the handles finish whose design is made distinctive by the short vertical bars and tie with the geometric lines on the headboard. White marble, white glossy color and stainless steel are finishes that have always been the favorite in modern design. All drawers are equipped with high-quality, soft, self-closing, undermount slides with stop safety feature to prevent a full extraction. The smooth and firm opening and closing movement of the drawers convey a sense of luxury. Drawers are completely lined with fabric-like material that is scratch and stain resistant. Bed sides and footboard are assembled with cam-lock hardware that guarantee precision and sturdiness.
