Orion Black Resin and Glass Coffee Table
Price: \$1,827.00

	Height	Width	Depth
Overall	17.00	35.50	35.50

Inspired by the movement of the heavens, this solid yet somehow ethereal coffee table features a dynamic and undulating base in matte black finished resin. Topped by a 35.5" glass round, its smaller size also makes it a great side or accent table.
