Domino Set In Natural Spalted Alder

Regular Price: \$499.00

Special Price: \$324.35

	Height	Width	Depth
Overall	5.50	11.00	6.00

A classic game gets a sleek and modern update. Dominoes are made from cast aluminum for a heavier weight and the self-storing box is made from reclaimed wood in a family-run factory in Mexico that has been sourcing and hand selecting wood responsibly for 30 years. The entire set looks stunning closed or open and ready for play.
