A traditional style gets a fresh update including slimmer, subtly rounded arms, hand-placed nail trim and pieced upcycled leather. Designed with a full seat and back support for ultimate comfort. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Beautifully supple, buttery soft hides with an unmatched depth of color and richness, and an authentic lived-in look.
