Kenton Outdoor Fire Table In Pewter Concrete

Price: \$4,699.00

| | Height | Width | Depth |
|---------|--------|-------|-------|
| Overall | 16.00 | 60.00 | 32.00 |

This outdoor fire table is a welcoming centerpiece designed for gathering. Made from glass-reinforced concrete, each piece is naturally finished with deep tones of pewter and dark grey. The monolithic shape is completed with lavastones in the center, bringing together a bold, monochromatic look. Cover or store indoors during inclement weather and when not in use.
