Finding contemporary garden planters with handsome profiles isn't a simple exercise. That's why we created the JP family of planters in a number of sizes and finishes. The fact that they are made of composite makes them easier to move around than their concrete counterparts. The JP Medium Bronze Planter has a warm, luminous brown finish. We also offer it in a large size, and planters in ivory and silver are available. We've cleverly taken this design and produced it as a wall planter as well. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
