The Portland is defined by sensuous, fluid movement. The bar stool is generously upholstered from head to toe in rich, Italian leather flowing from seat back right down to foot rest, smartly finished in cool high polish stainless steel. The hydraulic lift adjustable stool with fixed foot rest provides a full range of flexible applications. Pivoting 360 degrees, the Portland adjusts up and down with the simple squeeze of a discreet hand lever placed within easy reach under the bar seat, accommodating bar height, counter and dining positions.
